PC:

By the present writ petition the petitioner questions the correctness of an order passed by the Collector on account of which the representation has not been granted to respondent No.1-society in the election of respondent No.2 which is federal society. All the stages in the election process are over and what remains is only voting which is scheduled to take place on 28.10.07. At this stage if the writ petition is entertained same is bound to obstruct election process. Hence I decline to interfere with the impugned order. In the result writ petition is summarily dismissed. However it shall be open for the petitioner to file election petition after declaration of the result of election if permissible in law.
